

St Mary's Roman Catholic Primary School
RSHE and PSHE Skills, Knowledge and Progression Plan

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	<p>EYFS: Personal, Social and Emotional Development</p> <p>Starting with the child, we begin to build the foundations required for children to be able to express themselves, form positive relationships with their peers and adults, knowing what acceptable behaviour looks and sounds like. During the Autumn term, the children begin to learn more about themselves and others, knowing that we like and dislike different things and how we show sensitivity to the needs of other children, when their needs may differ to our own. As the children begin to settle, they may be encouraged to try new activities, where they will demonstrate perseverance and resilience, sometimes in the face of a challenge.</p> <p>Our children will be able to:</p> <ul style="list-style-type: none"> -Show an understanding of their own feelings and those of others and begin to regulate their behaviours accordingly. -Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. -Give focused attention to what the teacher says, responding appropriately even when engaged in an activity, and show an ability to follow instructions involving several ideas or actions. -Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. -Explain the reasons for rules, know right from wrong and behave accordingly. -Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices. -Work and play cooperatively and take turns with others. -Form positive attachments to adults and friendships with peers. -Show sensitivity to their own and to others' needs.
