

## MFL Skills, Knowledge and Progression Plan

	<p><b>EYFS and Key Stage 1:</b>          Whilst MFL is not discretely taught in EYFS and Key Stage 1, the children are exposed to different cultures and faiths and encouraged to verbalise any similarities or differences they spot. Children regularly answer the register using greetings from a variety of different languages. Children who speak other languages at home are encouraged to share their knowledge with others in class. Short songs are taught to the children in Key Stage 1 and the children can recognise France and other French speaking countries on a world map. EYFS and Key Stage 1 also take part in whole school enrichment activities such as European Languages Day.</p>
